Prosperity creation is one of Rwanda's many challenges, and Heaven provides employment that sets a national standard for service excellence and food quality. Heaven is located in Kigali's city center with breathtaking views and incredible food. Heaven is proud to be "Made in Rwanda", our restaurant was custom-built by local craftspeople and we showcase Rwandan arts & crafts that support artisan cooperatives throughout the country.

Our international menu features Rwandan-influenced recipes, and we regularly host cultural events for all to enjoy. Our book written by owner Josh Ruxin, "A Thousand Hills to Heaven: Love, Hope and a Restaurant in Rwanda" was published in 2013 by Little Brown & Company.
